

Professional Defect Report - BUG_003

Bug ID	BUG_003
Title	Cart total does not recalculate after quantity update
Module	Shopping Cart
Severity	High
Priority	High
Status	Open

Business Impact

Incorrect order totals can cause revenue and customer trust issues.

Preconditions

Product quantity is 1 and unit price is \$20.

Steps to Reproduce

1. Open cart.
2. Change quantity from 1 to 3.
3. Observe totals.

Expected Result

Cart total should update to \$60.

Actual Result

Cart total remains \$20.
