

Professional Defect Report - BUG_002

Bug ID	BUG_002
Title	User can submit checkout without required shipping address
Module	Checkout
Severity	High
Priority	High
Status	Open

Business Impact

Orders should not process without required shipping information.

Preconditions

User has at least one product in cart.

Steps to Reproduce

1. Proceed to checkout.
2. Enter valid payment information.
3. Leave shipping address blank.
4. Submit order.

Expected Result

Validation should prevent submission and require a shipping address.

Actual Result

Order processes successfully without a shipping address.
